

MAJESTIC CONSIGNMENTS

in the **ONTARIO ANGUS FUTURITY**
Saturday, December 5th, 2009

Natalie is a dark red heifer calf that is super quiet, well halter trained and very fancy. She is really clean up through the neck, has a good hip, wide top line and solid legs and feet under her.

At the last minute, she was a 4-H substitute calf at the Rockton Worlds Fair where Natalie took Reserve in the confirmation class. This heifer will make an excellent 4-H project in 2010, *so make the trip to Orangeville!*

MAJESTIC

RED BDL WILEY 107W

SIRE: RED GOLD-BAR NOAH C115N

DAM: RED R&M 107K LEONA 75M 1142719

Floress is out of an outstanding Soo Line cow, sired by Rubicon and carrying a Sakic calf! January 2010 should make for an amazing calving experience as this bred heifer is Royally bred and from amazing Red Angus stock. Floress carries the femininity of her dam and the wide top line that is typical for Rubicon offspring. She is also a very free moving, easy fleshing and has excellent structure. This bred heifer will be worth the call or drive to Orangeville on sale day if you want to put a good red one in your herd along with a Sakic calf in January!
