

MAJESTIC *Beauties*

CONSIGNING IN THE
ONTARIO ANGUS FUTURITY
DECEMBER 1, 2007 - ORANGEVILLE, ON

Red Majestic Tahisha R 121T TIC 121T

Red Majestic Tahisha is a special consignment to the Angus Futurity as she is the only heifer calf to sell in 2008 sired by Red Majestic Rubicon. Rubicon, the Supreme Champion Bull of All Breeds at the North American Beef Congress 2006- may be the most correct Red Angus Bull the breed has seen in a long time. Tahisha's dam is the dam to Red Majestic Skyla who in 2006 took the Champion Heifer Calf at the North American Beef Congress and then won in 2007 as the Champion Bred Yearling. Red Majestic Tahisha is an exceptional animal who is sure to be a show champion in 2008! Be the one to own the very first Rubicon calf to ever sell at this years Ontario Angus Futurity!

Red Majestic Viann N 115T TIC 115T

Red Majestic Viann has been a very successful heifer calf in Majestic's 2007 show string. This heifer is wide and long like her sire - Nitro. Viann's dam is a moderate framed cow who produces very feminine females like Viann's full sister - Red Majestic Shasta who was the high selling female at this years NABC Sale. Viann's dam is a family favourite at Majestic with her friendly disposition, easy calving ability and volume of milk. Everyone wanted to keep Viann at Majestic as they felt her 2008 show season could be her best, but I felt the Angus Futurity deserved this special heifer in the sale!

Red Majestic Lace N 113T TIC 113T

Lace is sired by the Show Champion - Nitro. She is a long bodied heifer with a beautiful coat of hair. Her dam, Red Geis Lace, has produced several top show animals at Majestic Livestock and comes from a strong pedigree background that included Red Geis Samarie 151'92 who is the Granddam of the \$63,000 Knight Hawk 14'02 bull. Lace will be an exciting heifer to watch in 2008 as she has the pedigree behind her to make a show champion.
